Major projects

Community Safety Strategy

Support for Tourism Oriented Policing

Training conducted on community policing, public order, crime scene management, domestic violence, public finance, investigation of drug-related crimes, strategic communications, senior leadership and middle management

Mariupol Seaport Taskforce

Cooperation with Donetsk Law Institute on community policing and gender mainstreaming

Road Traffic Safety for children

DONATIONS

Under PRAVO Police, package of €1 million for equipping police posts and checkpoints, DNA laboratory, first-aid kit

First-aid equipment, IT equipment, furniture and tactical equipment for the Training Centre of the National Police in Donetsk region

Handover of PPE (masks, gloves, disinfectants) to counterparts during Covid-19 pandemic

OPERATIONAL NEEDS ASSESSMENT OF DONETSK REGION

Based on the findings of an Operational Needs Assessment, EU Member States decided to launch an EUAM field office in Mariupol. During the assessment period cooperation was established with all the main counterparts in Donetsk region, and the first projects were launched. A roundtable on Safer Communities in December 2019, conducted in Mariupol, brought together law enforcement and civil society and was the first step towards the Community Safety Strategy platform.
