OUR MISSION

To assist relevant Ukrainian authorities towards a sustainable reform of the civilian security sector through strategic advice and practical support for specific reform measures based on EU standards and international principles of good governance and human rights

OUR VISION

A civilian security sector for Ukraine that is efficient, accountable and enjoys the public's trust

LINES OF OPERATION

Strategic advice

on civilian security sector reform, in particular, to develop strategic documents and legislation

Support for the implementation of reforms

through the delivery of practical advice, training, projects, and equipment donations

Cooperation and Coordination

to ensure coherence of reform efforts between Ukrainian and international actors

OUR PRIORITIES

National and state security

Reforming security and intelligence institutions with a specific focus on capacity building and international cooperation; and bringing these under democratic oversight

Organised and cross-border crime

Strengthening Ukraine's capacity to fight crime and further develop its Integrated Border Management with a specific focus on small arms proliferation risks, border traffic fluency and related trade facilitation at border crossings

Criminal Justice

Building effective investigation and prosecution capacities related to judicial reform, and transitional justice to further complement the Mission's International Crimes undertakings

Community safety and police management

Promoting trust between police and communities through Community Safety Dialogue mechanisms and professional police services with a specific focus on liberated and adjacent territories

International Crimes

Enhancing the capacities of Ukrainian agencies and institutions to investigate and prosecute International Crimes

CROSS-CUTTING AREAS

Anti-Corruption

Good Governance

Human Rights, Gender Equality and Minority Rights

Digital Transformation and Innovation
