OUR PRIORITIES

Civilian Security Sector Reform (CSSR)

Advising on CSS reforms for EU accession, focusing on the Overarching Strategic Plan for the Reform of the Entire Law Enforcement Sector (OAS).

Integrated Border Management (IBM)

Advising on adapting Ukraine's IBM framework in line with EU IBM standards and best practices.

Organised Crime (OC)

Supporting the strengthening of law enforcement capacities to counter SALW proliferation, trafficking, smuggling, financial crime, cybercrime, and the use of organised crime in hybrid campaigns.

Hybrid Threats (HT)

Supporting policies, strategies, and capacities to counter hybrid threats, including critical infrastructure protection, cyber-security, FIMI, and Russia's recruitment of vulnerable groups for subversive and terrorist actions.

Liberated and Adjacent Territories (LAT)

Supporting stabilisation across LAT by building LEAs' capacity and resilience, promoting social cohesion and reintegration through community dialogue.

International Crimes (IC)

Enhancing our partners' capacities to investigate and prosecute international crimes, including war crimes.

Reintegration of Veterans (RV)

Supporting the reintegration of veterans into the civilian security and civil protection sectors, in close coordination with the EU Delegation, EU Member States, and other relevant actors.
